

*To whom it may concern.*

*My name is Mark Vieau. I want to tell you about a wonderful Experience I had working with a company called Prototyping Rapid, Inc.*

*When I contacted George Elder and talked with him... it was like talking To an old friend. I asked him to do something that was thought to be impossible.*

*He along with his Engineering staff, Chuck Martin and Chuck's son David, ... went to work And created an icon...*

*I can't begin to thank them Enough for all the hard work and effort they put into this project.*

*I look forward to a very Long lasting relationship with all of the people at Prototyping Rapid, Inc.*

*Sincerely*

Mark L Vieau
